

CHILDREN FOR WATER

Water & Sanitation for 10.000 schools

WHAT

Are we talking about ?

CHILDREN FOR WATER

RAISING AWARENESS | TAKING ACTION

Children are the first victims of lack of water or its poor quality.

***Support No Water No Us
to equip 10,000 schools globally.***

10.000
Schools

=

1.000.000
Students

=

5.000.000
People

HOW

Are we doing it ?

10.000 Schools

TWO PROJECT TYPES

ONE GOAL

Architecture : Create a sustainable building.

Local Identity : Integrate climate, cultural and community specificities.

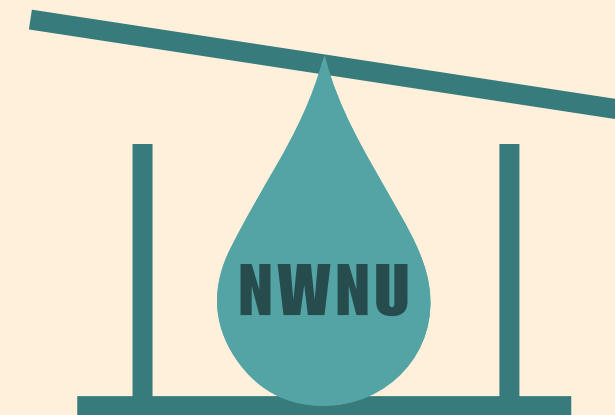

Education : Provide courses on sustainability and water.

Extension

Build water facilities in existing schools.

Construction

Build fully equipped schools.

HOW

Are we financing it ?

100.000.000 €

TWO WAYS | SAME DESTINATION

Participate : Join us at our charity dinners, one dinner / one step closer.

Organize : Host your own charity event to fund Children for Water.

Donate : Be a donator / sponsor of No Water No Us.
